PLEASE NOTE:

Room rates do not include room service, restaurant meals, telephone calls, other guest services and incidentals, parking, taxes, or gratuities. **ALWAYS** inquire with the hotel staff directly regarding all uncovered fees upon booking lodging accommodations.

ALWAYS process your own hotel booking, as opposed to having NGIS doing it on your behalf. CG members are not required to provide a CNA for TLA reimbursement and can verify their own military status by showing their military ID to the concierge staff. **Room rates are subject to change** at any time **without notice**; service members and families should always do their due diligence to verify information individually.

Room rates often go up during PCS season; therefore, these rates may be different between May and September every year.
