

Commander Todd A. Remusat
Commanding Officer
Coast Guard Port Security Unit 309 (CG PSU 309)
United States Coast Guard Reserve

Commander Todd Remusat is the Commanding Officer (CO) of Port Security Unit 309, located in Port Clinton, OH. As the CO, he leads 150 personnel and is responsible for unit readiness and for worldwide or domestic deployments within 96 hours of notification.

Commander Remusat recently completed a 15-month mobilization as the Deputy Commandant for Mission Support (DCMS), COVID-19 Crisis Action Team (CCAT), Deputy Lead at Coast Guard Headquarters, Washington, DC. In this role, he coordinated service-wide COVID pandemic response efforts and developed and disseminated workforce policy, guidance, and logistical support for the Coast Guard workforce of over 50,000 personnel.

Commander Remusat's previous Coast Guard Reserve assignments include, Coast Guard Reserve Unit-Joint Staff South (CGRU-JSS), Deputy Branch Chief for J7 Reserve Cyber/Information Operations, Suffolk, VA; Emergency Preparedness Liaison Officer to FEMA Region-VIII, Denver, CO; Exercise Planner, CGRU-NORTHCOM, Colorado Springs, CO; Supervisor, FORCECOM, Norfolk, VA; Chief, Boards and Panels (RPM-1) and Deputy Branch Chief of Assignments (RPM-2), Personnel Service Center, Ballston, VA; Shoreside/Waterside Division Officer, Operations and Acting Executive Officer, Port Security Unit 307, Clearwater, FL; Military Out-Load Supervisor, Sector Jacksonville, FL; Supervisor, Atlantic Area's Redeployment Assistance and Inspection Detachment Team-III (RAID TEAM-III), Kuwait and Iraq; Response Department, Marine Safety Office Savannah, GA; and, Prevention Department, Marine Safety Office Jacksonville, FL. Prior to his Commissioning he was a Marine Science Technician, First Class (MST1) Petty Officer assigned to Marine Safety Office, Tampa, FL.

Before joining the Coast Guard Reserve, Commander Remusat served 14 years in the Navy and Navy Reserve. While serving in the Navy, he was a Quartermaster, Second Class (QM2) Petty Officer stationed onboard the following ships: USS SAMUEL ELIOT MORISON (FFG-13), USS ANTRIM (FFG-20), USS FAHRION (FFG-22), USS BOONE (FFG-28), and the USS PROTEUS (AS-19).

Commander Remusat has deployed in support of a variety of exercises and operations including COVID-19 Operations (2020-2021); Hurricane Michael (2018); Hurricane Harvey (2017); Hurricane Matthew (2016); Operation Unified Response, Haiti Earthquake (2010); Operation Enduring Freedom (OEF), Guantanamo Bay, Cuba (2008); Operation Iraqi Freedom Kuwait/Iraq (2004-2005) and following the 9/11 attacks he supported OEF Operations in Jacksonville, FL and Fort Campbell, KY from (2001-2004).

A Florida native, Commander Remusat enlisted in the Navy in 1986 and received his Coast Guard Commission in 2002. He has an Associate of Science Degree in Radiation Technology from Central Florida Community College, a Bachelor of Arts Degree in Environmental and Growth Management Studies from Rollins College and a Master of Arts Degree in Homeland Security (Crisis Management) from American Public University System.

Commander Remusat's military honors and awards include the Defense Meritorious Service Medal; Meritorious Service Medal (2 awards); Joint Service Commendation Medal; Coast Guard Commendation Medal (5 awards); Army Commendation Medal (2 awards); Joint Service Achievement Medal; Coast Guard Achievement Medal (5 awards); Navy Achievement Medal; Army Achievement Medal; and numerous other team and unit service awards. He is authorized to wear the Port Security Unit Officer Insignia, Marine Safety Insignia, Advanced Boat Forces Operation Insignia, Joint Chiefs of Staff Badge and the Command Ashore Insignia.
