MUNICIPALITY OF ANCHORAGE PROCLAMATION OF EMERGENCY “HUNKER DOWN” ORDER EO-03

ISSUED BY THE MAYOR OF THE MUNICIPALITY OF ANCHORAGE PURSUANT TO ANCHORAGE MUNICIPAL CODE SECTION 3.80.060H.

The COVID-19 pandemic has generated a public health emergency that threatens to overwhelm our health system, endangering the lives and wellbeing of the people of Anchorage. We can take steps to slow and hopefully contain the threat, but those steps require coordinated community action. This order is put forward to preserve the health and safety of our community while ensuring that vital goods and services continue to be available.

I HEREBY ORDER THE FOLLOWING EMERGENCY RESPONSE TO PRESERVE LIFE IN AND ADJACENT TO THE MUNICIPALITY. THE FOLLOWING EMERGENCY REGULATIONS BEGIN AT 10:00 P.M. ON SUNDAY, MARCH 22, 2020 AND REMAIN IN EFFECT UNTIL 11:59 P.M. ON TUESDAY, MARCH 31, 2020.

1. Everyone currently in the Municipality of Anchorage (the “Municipality”) shall stay at home as much as possible, except to work in certain critical jobs, listed below; to buy, sell, or deliver groceries or other important goods; to receive or provide health care; and to get fresh air without contacting others. On the limited occasions when individuals leave home, they should maintain social distancing of at least six feet from any person outside their household whenever possible. Individuals are also encouraged to practice recommended hygiene, including regular hand washing.
 - Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to use COVID-19 risk mitigation practices in their operation).
2. It is strongly recommended, in accordance with Center for Disease Control (CDC) guidance, that certain individuals within the Municipality should take even greater precaution.
 - a. Anyone particularly at-risk from COVID-19 should reduce exposure by staying at home, not physically going to work, and not doing their own shopping if possible. People particularly at risk of complications from COVID-19 include those 60 years and older and individuals of any age with a serious underlying medical condition. Household members of those who are at elevated risk should implement these more stringent guidelines as well, to the extent possible.

- a. Anyone more likely to be contagious with COVID-19 should reduce contact with others even further by not leaving home except to obtain medical care or to get fresh air. People who are more likely to be contagious include individuals exhibiting symptoms of COVID-19 (including coughing, shortness of breath, and fever) and individuals who have recently traveled. Individuals who have recently travelled outside the Municipality are advised, in accordance with CDC guidelines, to stay at home as much as possible for fourteen days. Household members of those who are possibly contagious should implement these more stringent guidelines as well, to the extent possible.
3. Some businesses and entities serve critical roles that are necessary to combat this public health emergency or provide critical community functions and cannot be put on hold while we address the emergency. These businesses and entities are encouraged to remain open. While open, those businesses and entities should comply with social distancing guidelines as much as possible, including by maintaining six-foot social distancing for employees and for members of the public, including when any customers are standing in line. A list of businesses defined as critical is listed below at paragraph number five.
 4. All other businesses and entities in the Municipality must close their premises; however, businesses and entities may continue to utilize telecommuting or work from home procedures.
